### 12-day Great Southern Tour – Information Sheet

This exciting new tour has been specifically designed to concentrate on the many specialties of the southern coastal region of Australia, the Tasmanian wilderness and the South Australian outback.

During this tour we are likely to find over 250 species and experience an amazing variety of landscapes and habitats, including outback mountains and deserts, vast expanses of eucalypt scrubland at Birds Australia's Gluepot Reserve, wetlands and rivers including Australia's greatest river, the Murray, spectacular coastal areas including the famous Great Ocean Road, Tasmanian Wilderness, and much more. The trip includes some of Australia's hardest to find, yet most sought-after species:

- 3 species of Grasswren
- Plains Wanderer, Superb Lyrebird
- 5 species of Whistler
- Rufous Bristlebird, Black-eared Miner
- Chestnut-breasted and Southern Whiteface
- Chestnut and Cinnamon Quail-Thrush
- many species of Parrot including Orange-bellied, Elegant, Blue-winged, Swift, Superb and Regent Parrot
- many species of Honeyeater and Robin
- Spotted, Striated and Forty-spotted Pardalote.

This itinerary provides a perfect balance between maximising the species count (expect over 250 including Tasmania) and the number of days we will be on the road.

**Departs from** Adelaide, South Australia. Clients will be picked up from the city centre or the airport. **Finishes** in Hobart, Tasmania.

**Scheduled departure dates for 2012:** Tuesday 20 November 2011

**Leader:** Peter Waanders and local guides

**Costs:** AU\$4999 per person including accommodation and all meals, based on double or twin-share occupancy. Not included: drinks and personal expenses. You can do the first 6 days only (our *Highlights* tour) for \$2499 or the second 6 days only for \$2899. Single occupancy attracts a surcharge of \$300 per 6-day period (ie. \$600 for the entire tour). Earlybird discount of \$100 applies for bookings received by 19 May 2012.

**What to bring:** binoculars, insect repellent, sunscreen, hat, personal water bottle.

**Clothing:** Lightweight long pants, thin long-sleeved shirt, over the top of which you can wear various layers that can be taken off as necessary, including a thick jumper or reasonably wind proof jacket.

**Group size:** Minimum 4, maximum 8 participants.

**Bookings:** Please complete the enclosed booking form.

## Itinerary: Great Southern birding tour 2012

### Day 1 (Tue 20 Nov).

You will be picked up from your accommodation in Adelaide early in the morning. We will follow the coast north, where we look for the *rosinae* race of Slender-billed Thornbill and the *rosina* race of White-browed Scrubwren. At Port Augusta we visit the Arid Lands Botanical Gardens where we will encounter our first White-winged Fairy-wren, Chirruping Wedgebill, Rufous Fieldwren and Redthroat. A nearby coastal lake usually has Banded Stilt. We will arrive at Mt Lyndhurst, on the edge of the Strzelecki desert, later in the day and will search for Chestnut-breasted Whiteface, another SA endemic, as well as Inland Dotterel, Cinnamon Quail-thrush, Chirruping Wedgebill and Rufous Fieldwren. We stand a good chance of finding our second species of Grasswren here, Thick-billed Grasswren. At sunset we proceed to the Lyndhurst Hotel, a typical outback pub with basic facilities but lots of character. Overnight **Lyndhurst** (basic, clean rooms with shared bathroom facilities; Meals included: L, D).

### Day 2 (Wed 21 Nov).

We depart around sunrise for another visit to Mt Lyndhurst where we search for any species still needed. We'll explore the endless open stony plains of the Strzelecki desert which are traversed by mostly dry watercourses. Expect species such as Budgerigar, Red-backed Kingfisher, Crimson, Orange and Gibber Chat. We'll have a picnic lunch at a billabong (waterhole) with coolabah trees after which we bird our way back to Lyndhurst, looking for Inland Dotterel, Cinnamon Quail-thrush and Black-breasted Buzzard. Overnight **Lyndhurst** (basic, clean rooms with shared bathroom facilities; Meals included: B, L, D).

### Day 3 (Thu 22 Nov).

Today we'll travel south past the spectacular rock formations of the Gammon Ranges and enter the Flinders Ranges, an impressive range of steep hills and soaring rock formations on the edge of Australia's outback. Mid-morning we proceed along creekbeds and through narrow gorges cut deeply into geological layers that date back 800 million years. Here we search for Elegant Parrot and Grey-fronted Honeyeater. We visit the fossil site of the Ediacaran fauna, which lived a little before the great explosion of multicellular life at the beginning of the Cambrian Period. Here we're also likely to encounter the endangered Yellow-footed Rock-wallaby. Later we search the spinifex-grass covered slopes for the elusive Short-tailed Grasswren, a recent split from Striated Grasswren and one of SA's endemics. We will certainly see plenty of Red, Western Grey and Euro Kangaroos. Overnight **Wilpena Pound Resort**. (Meals included: B, L, D).

Birding, Regent Parrot, Striated Grasswren

#### Day 4 (Fri 23 Nov).

Early mornings in the outback can get pretty chilly as we check nearby rocky outcrops for Southern Scrubrobin and Grey-fronted Honeyeater. We will leave the picturesque Flinders Ranges and drive south, through the historic copper mining township of Burra, and search nearby Bluebush plains for Redthroat, Black-eared Cuckoo, Brown & Rufous Songlark and Inland Thornbill. Later in the day we reach Australia's largest river: the Murray. Here we visit a breeding colony of Regent Parrots and check a few wetlands for waterbirds including crakes, rails and Freckled Duck. Overnight **Waikerie** (Motel; Meals included: B, L, D).

#### Day 5 (Sat 24 Nov).

We depart very early in the morning for the drive of less than an hour to Birds Australia's Gluepot reserve, home of the critically endangered Black-eared Miner. We arrive at Gluepot around sunrise. The next three or four hours is when Gluepot's critical species are most active. While the sun rises over centuries-old mallee eucalypts and sand dunes covered in spinifex grass, we look for Malleefowl, Red-lored Whistler, Gilbert's Whistler, Hooded Robin, Southern Scrubrobin, Black-eared Miner, Striated Grasswren, Shy Heathwren, White-browed Treecreeper and Major Mitchell Cockatoo. As the bird activity slows down, so do we, and focus on species such as Chestnut Quail-thrush, Crested Bellbird, Splendid Fairy-wren and Striped Honeyeater. Depending on conditions we may also look for White-winged Triller, Pied and Black Honeyeater and Crimson and Orange Chat. From one of the bird hides that overlook a watering through, we have a chance of seeing the eastern race *monarchoides* of Regent Parrot and many of Gluepot's 10 species of Honeyeater. We leave the reserve late in the afternoon to be back at your accommodation in Waikerie around dusk. Overnight **Waikerie** (Motel; Meals included: B, L, D).

#### Day 6 (Sun 25 Nov).

Today we'll say goodbye to our 6-day Highlights tour members, who will bird their way back to Adelaide. We are joined by those participants wishing to do only the second 6-day period and head in the opposite direction to arrive at Hattah-Kulkyne National Park mid-morning. The vast expanses of Mallee scrubland with Spinifex (porcupine) grass here are home to the endangered Mallee Emu-wren. These elusive yet beautiful birds will take some time to track down, but in the process we stand a good chance of coming across Major Mitchell's (Pink) Cockatoo and more Regent Parrots. In the afternoon we proceed to Deniliquin; birding along the way we hope to come across species such as Grey-crowned Babbler and Diamond Firetail. Overnight **Deniliquin** (Motel; Meals included: B, L, D).

*Chestnut-breasted Whiteface, Desert Birding, Crimson Chat, Thick-billed Grasswren*

**Day 7 (Mon 26 Nov).**

Full day birding around Deniliquin. We'll start early in the morning. There will be a few hours break for lunch and a rest, and sometime in the afternoon we'll set off again for further birding and after dark, spotlighting for Plains-Wanderer. The species is in a family of its own and is almost extinct. The birds are rarely seen during the day and therefore the evening will be spent searching for them using spotlights. Other species targeted today include Australian Bittern and Painted Snipe (both depend on the amount of water around) plus other good species like Superb Parrot, Painted Buttonquail, and depending on seasonal conditions Painted/ Pied / Black Honeyeater, Black Falcon, Australian Spotted Crake etc. Overnight **Deniliquin** (Motel; Meals included: B, L, D).

**Day 8 (Tue 27 Nov).**

We drive south from Deniliquin and visit various red-gum and box-ironbark woodland sites along the way, picking up birds like Diamond Firetail, Speckled Warbler, Painted, Black-chinned, Fuscous & Yellow-tufted Honeyeater, Eastern Spinebill, Flame, Scarlet & Eastern Yellow Robins, White-bellied Cuckoo-shrike, Pallid Cuckoo, Painted Button-quail, Little & Musk Lorikeets, Dollarbird, Leaden Flycatcher, etc, before reaching the Great Ocean Road. Overnight **Port Campbell** (Motel; Meals included: B, L, D).

**Day 9 (Wed 28 Nov).** This morning we'll make our way around the spectacularly scenic Great Ocean Road, looking for Rufous Bristlebird, Southern Emu-wren, Gang-gang Cockatoo, Yellow-tailed Black-cockatoo, Satin Bowerbird, Blue-winged Parrot, King-Parrot, Olive Whistler, Tawny-crowned, Yellow-faced & Crescent Honey-eaters, Forest Raven, Fan-tailed Cuckoo, Rose & Pink Robins, Bassian Thrush, Grey (White) Goshawk, Brush Bronzewing, Black-faced Cormorant, Hooded Plover, Striated Fieldwren, seabirds, etc. as well as Koala and Swamp Wallaby. Overnight **Werribee** (Motel; Meals included: B, L, D).

**Day 10 (Thur 29 Nov).**

We'll head to the Western Treatment Plant, one of Australia's premier waterbird sites, hoping to find birds like Sharp-tailed Sandpiper, Red-necked Stint, Black-tailed Godwit, Red Knot, Red-capped Plover, Hoary-headed Grebe, Australasian Gannet, Pied, Little Pied, Great & Little Black Cormorants, White-winged Black-Tern, Fairy Tern, Pink-eared, Blue-billed and Musk Duck, Australian Shelduck, Cape Barren Goose, Red-necked Avocet, Australian Spotted Crake, Buff-banded Rail, Blue-winged Parrot, Striated Fieldwren, Horsfield's Bushlark, Horsfield's Bronze-cuckoo, Golden-headed Cisticola, Swamp Harrier and Black Falcon. Overnight **Healesville** (Motel; Meals included: B, L, D).

*Budgerigar, Great Ocean Road, Tasmanian Native Hen, Tasmanian rainforest*

**Day 11 (Fri 30 Nov).** We commence the day birding the wet hill forests around Healesville where we hope to pick up Superb Lyrebird, Pilotbird, Red-browed & White-throated Treecreepers, Large-billed & White-browed Scrub-wrens, Eastern Whipbird, Rufous Fantail, Satin Flycatcher, Golden Whistler, Lewin's Honeyeater, Pied & Grey Currawongs, Brush Cuckoo, Shining Bronze-cuckoo, Brown & Striated Thornbill and Silvereye. We head to Melbourne airport in the afternoon where your guide will drop you off in time for your flight to Hobart, Tasmania (included in price).

Upon arrival in Hobart we will be joined by our Tasmanian guide. We'll drive a little way south and take the ferry to Bruny Island. From the ferry we'll look out for Black-faced Cormorant and Kelp Gull. Along the way we are likely to come across Tasmanian Native-hen and Green Rosella. Tonight we will observe Little Penguin and Short-tailed shearwater rookeries, as both species arrive after dark on their way to their burrows. Overnight **Bruny Island** (Cottage style with own rooms with shared bathroom facilities; Meals included: B, L, D).

**Day 12 (Sat 1 Dec).** All day birding at Bruny Island for all Tasmanian endemics. We commence the day with an early morning birdwalk at Inala, a privately owned 500 acre wildlife sanctuary which now has a conservation covenant placed on it specifically to protect threatened birds such as Forty-spotted Pardalote, Swift Parrot, Grey Goshawk and Wedge-tailed Eagle. Bird species species you are likely to see include the endangered Forty-spotted Pardalote, Strong-billed, Black-headed and Yellow-throated Honeyeaters, Tasmanian Native-hen and possibly Swift Parrot. Later in the day we'll explore the other habitats Bruny Island has to offer, from coastal beaches where there is a chance of Hooded Plover, Pied and Sooty Oystercatchers and Kelp Gull to rainforest areas to search for Scrubtit and Tasmanian Thornbill. Also a good chance to see some interesting flora, including Tasmanian endemic species and Gondwana relics. **Overnight Bruny Island** as per last night; Meals included: B, L, D). **TOUR ENDS.**

**Sun 2 Dec.** After breakfast (included) you'll be transferred back to Hobart airport. Please don't book flights departing before 11am this morning. OR:

**OPTIONAL ORANGE-BELLIED PARROT EXTENSION @ \$400 pp.:** This morning you have the option to take a spectacular scenic flight over the seemingly endless South-West World Heritage wilderness to Melaleuca, home of the critically endangered Orange-bellied Parrot (with less than 50 individuals remaining in the wild). You'll have a good chance of observing this species at the Parks & Wildlife observatory. Other birds that can be found here include Ground Parrot, Olive Whistler, Southern Emu-wren, Striated Fieldwren and Beautiful Firetail. This flight is weather dependent so you may wish to allow two days, if cancelled today you can try again tomorrow. Cost of

*Mallee Emu-wren, Superb Lyrebird, Fairy Penguin, Orange-bellied Parrot*

the flight is approx. \$400 per person. Please discuss this option and its associated logistics (accommodation, airport transfers etc, which are on top of the flight price) with us at the time of booking.

**Costs:** AU\$4999 per person including accommodation and all meals, based on double or twin-share occupancy.

*You can do the first 6 days only (our Highlights tour) for \$2499 (transport back to Adelaide included). Please refer to our Highlights brochure if you wish to take this option.*

*Alternatively you can do the Vic-Tas component (ie. the second 6 days) only, for \$2899. As we will be in Waikerie at the start of this second 6-day component, you need to make your way to Waikerie in this case. If driving, you're welcome to park your car outside at Southern Birding Services at your own risk, or we can arrange a private transfer to Waikerie for you from Adelaide, or you can join us in Mildura, or you can take a regular coach service to Waikerie. Please contact us before making arrangements.*

*Single surcharge is \$300 per 6-day period (ie. \$600 for the entire tour). Earlybird discount of \$100 applies for bookings received by 19 May 2012.*

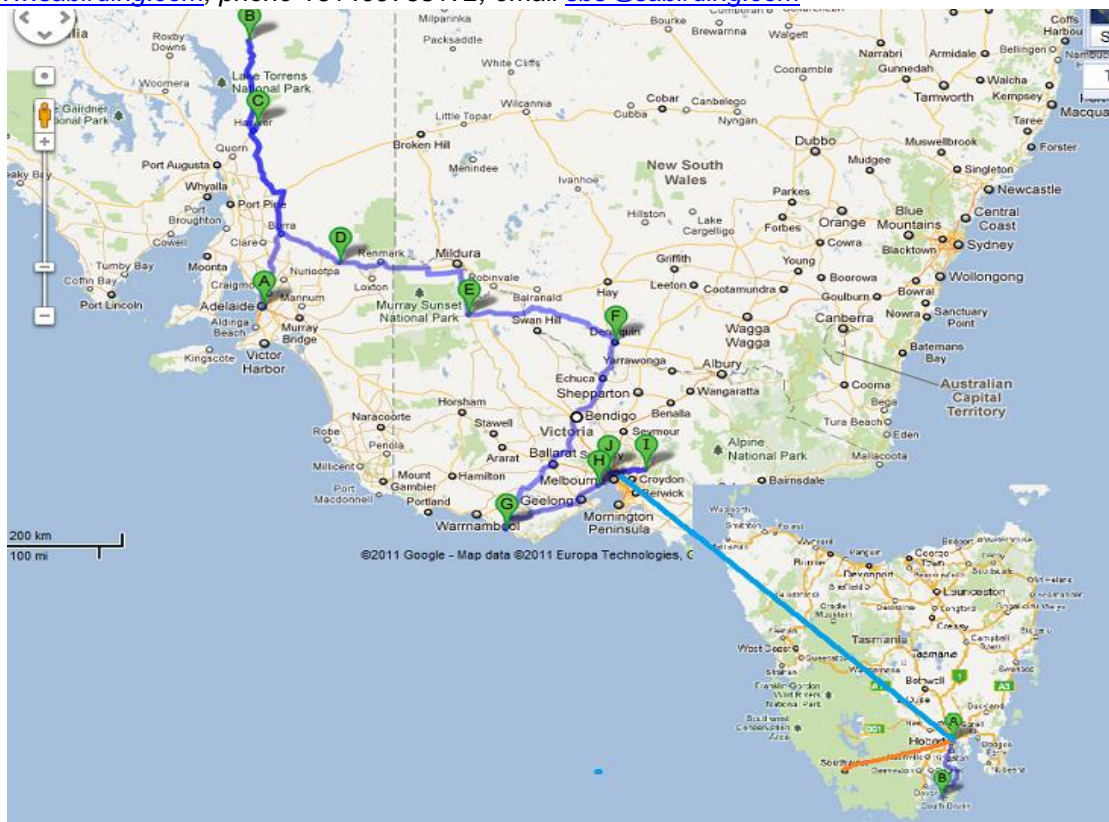

**Included:** Meals as described, Accommodation, Transport, guiding, Entry fees, 1 domestic flight.

**Excluded:** Pre- & post trip flights & accommodation, Breakfast on Day 1, Breakfast upgrades from continental, Optional Extension, drinks, personal expenses, tips.

**Contact:** Peter Waanders, Southern Birding Services, PO Box 420, Waikerie 5330 South Australia, [www.sabirding.com](http://www.sabirding.com), phone +61409763172, email [sbs@sabirding.com](mailto:sbs@sabirding.com)

Forty-spotted Pardalote, Swift Parrot

Single Room / Double Room / Twin Share (please circle)

(a single occupancy will attract a surcharge)

### Medical conditions and dietary requirements

Do you have any medical conditions (eg. disabilities, illnesses or allergies) that might restrict your full involvement in any aspect of the tour?

No / Yes

If Yes, please provide details: \_\_\_\_\_

If you have other special requirements (eg dietary requirements) please advise. While we cannot guarantee to accommodate them, we will make every attempt to do so.  
\_\_\_\_\_

### Payment

To secure a seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, PI & NL Waanders trading as Southern Birding Services reserves the right to change the tour price (eg due to changing fuel prices) . For payment options see next page.

**Payment options:**

*Money order, Australian cheques, bank drafts/cheques:* please enclose with this form.

*Electronic funds transfer:* please send funds in Australian Dollars (+AU\$30 for international bank transfer fees) to the following bank account:

- international swift code: anzbau3m
- bank: Australia & New Zealand Bank (ANZ), 5 McCoy St, Waikerie, 5330 South Australia
- account name: Southern Birding Services
- Branch No. (BSB) 015-448
- Account No. 4942-77316

Please print out a transaction receipt and enclose with this booking form.

*Credit card:* attract a 3% service fee. Credit card payments will be handled by the secure on-line servers of PayPal. Please send funds to [waanders.peter@gmail.com](mailto:waanders.peter@gmail.com) . Please print out a transaction receipt and enclose with this booking form.

*PayPal:* attract a 3% service fee. Please send funds to [waanders.peter@gmail.com](mailto:waanders.peter@gmail.com) . Please print out a transaction receipt and enclose with this booking form.

**Terms & Conditions 2012 – please read, then sign the last page of this form****Reservations:**

To make a reservation on a tour, complete and sign the booking form and the terms & conditions pages and return it to Southern Birding Services with your deposit. Provisional bookings are accepted via telephone or email and must be followed up with a completed, signed registration form and deposit payment within 7 days.

**Payment:**

Full payment of the tour cost is due 60 days prior to departure. Payment details are outlined on the booking form. Payments are to be made in Australian Dollars only. Payment may be made by bank cheque, money order or cheque by prior arrangement. Payment may also be made by bank transfer, PayPal or credit card (using PayPal). Clients are responsible for any fees incurred at both ends: PayPal and credit card (using PayPal) payments attract a 2-4% surcharge (depending on the amount) and international bank transfers attract a AU\$30 surcharge. Domestic bank transfers are free.

**Cancellation:**

All cancellations must be made in writing and signed by whoever signed the booking form and submitted to PI & NL Waanders trading as Southern Birding Services. Refunds are made at our discretion as there may be deposits or payments made to ground agents that are non-refundable. No refunds will be made after 60 days prior to the commencement of a tour. There are no refunds for unused meals, accommodations, or other trip features should you decide not to participate fully or should it be necessary to make changes during the tour.

PI & NL Waanders trading as Southern Birding Services reserves the right to cancel any trip due to weather or other unsuitable conditions. In such a case full refund of the tour price paid to date will constitute full settlement to the passenger.

**Insurance:**

The purchase of travel insurance, including cancellation insurance, is strongly recommended. PI & NL Waanders trading as Southern Birding Services cannot accept liability for insurance costs, airline cancellations or delays or penalties incurred by the purchase of non-refundable airline tickets or other expenses incurred by tour participants in preparing for this tour.

PI & NL Waanders trading as Southern Birding Services cannot accept liability for any insurance costs if a tour is cancelled.

**Tour Prices:**

The price of the tour is based on local prices in effect when the tour is designed and is subject to adjustment in the event of a large change therein.

*What is included in the tour price:*

Specifics about what is included in each tour are described in the tour itinerary and normally consists of all travel as noted in the itinerary, lodging in hotels/motels or their equivalent unless otherwise indicated, all meals unless otherwise noted, tour materials and the tour guide services of the leader(s).

*What is not included in the tour price:*

The tour price excludes all expenses incurred before the first official group assembly at the start of any tour and after the official end of the tour, travel insurance, passport charges, vaccination charges, visa charges, excess baggage charges, airport taxes, and meals and drinks en route to the tour. The tour price also excludes drinks (other than those provided), à la carte dishes on those occasions where the included meal is fixed-menu, breakfast upgrades from continental, snacks, laundry, telephone calls, private excursions, and anything else of a purely personal nature, including taxes, portorage, service charges and tips relating to such items.

In addition, should you decide not to accompany the group on a planned activity for any reason, you are responsible for the extra cost of any accommodation or meals while the rest of the group is involved in the planned activity.

Should you arrive or depart at other than the official times of the tour, any additional expenses you incur are not included.

**Surcharges:**

Unfortunately, the travel industry is suffering with uncontrollable and escalating costs relating to fuel, flights, and an erratic world economy. We would like to offer complete price stability and will make every effort to do this, but because of the possibility of substantial transportation/fuel price increases, changes in ground agent prices, tax increases or negative exchange rate changes, we cannot guarantee prices. While we will make every effort to avoid or absorb surcharges, PI & NL Waanders trading as Southern Birding Services reserves the right to increase the price of a tour in the event of cost increases incurred by us that stem directly from increases in transportation costs (by air, land or water, and including increases in fuel costs), increases in government taxes, fees, dues or levies, or exchange rates.

**Modification:**

PI & NL Waanders trading as Southern Birding Services reserves the right to modify the itinerary, number of participants, tour vehicle or any other aspect of the tour prior to and during any tour. While on tour if weather or other conditions require a change to the itinerary such a change will be discussed, as much as reasonably possible, with the clients but the final decision is

made by the tour leader. If as a result of a change in the itinerary clients forgo an opportunity to see any particular bird species this does not entitle these clients to a refund. If as a result of a change in itinerary the total duration of the tour is shorter than that of the advertised itinerary by more than one (1) day this will entitle clients to a reasonable refund to be calculated by PI & NL Waanders trading as Southern Birding Services. If due to local road, weather or other conditions the duration of the tour needs to be extended clients will not be charged commercial tour rates for the extension by PI & NL Waanders trading as Southern Birding Services but clients will be required to pay for their own accommodation, food and all other expenses for the duration of the extension. PI & NL Waanders trading as Southern Birding Services will not be liable for any costs incurred by clients due to a tour returning to its final destination later than scheduled.

**Bird species:**

Birds are wild animals and no sightings of any species can be guaranteed. PI & NL Waanders trading as Southern Birding Services will not be held responsible for clients not seeing any particular species.

**Liability:**

The tour participant agrees that PI & NL Waanders trading as Southern Birding Services is not liable for injury, death, damage, monetary loss or loss of property as a result of participating in any tour. Participants should make their own health and travel insurance arrangements. Travel insurance should cover unplanned costs, e.g., a plane not arriving due to inclement weather. For and in consideration of the opportunity to participate in the tour, each tour participant agrees to release, indemnify, and hold harmless PI & NL Waanders trading as Southern Birding Services, its agents, servants, employees, shareholders, officers, directors, solicitors and contractors as set forth herewith. PI & NL Waanders trading as Southern Birding Services acts only as an agent for the passenger in regard to travel, whether by bus, boat, airplane, or by other means, and assumes no liability for injury, damage, loss, accident, delay, or irregularity caused by defect in such vehicles or for any reason whatsoever, including the acts, defaults, or bankruptcies of any company or person engaged in conveying the passenger or in the carrying out the arrangements of the tour. PI & NL Waanders trading as Southern Birding Services accepts no responsibility for losses or additional expenses due to delay or charges in air or other services, sickness, weather, strike, war, quarantine, or other causes. The tour participant shall bear all such losses and expenses. PI & NL Waanders trading as Southern Birding Services reserves the right to substitute hotels of similar category for those indicated and to make any changes in the itinerary where deemed necessary.

**Restrictions on Participation:**

Birding tours involve a variety of activities and can entail varying degrees of strenuous activity. Some destinations will require early morning starts and/or late returns as this maximizes our opportunities to find and see certain species. In preparation for each day, the activities will be described as accurately as possible. It may be necessary for participants to be able to complete walks of up to several kilometres over a wide variety of terrain, not necessarily on walking trails. While out in the field we may also encounter variable weather conditions including, but not limited to, heat, cold, wind, rain, and strong, bright sunshine. Participants should be in good health and if in doubt should consult a physician before undertaking a tour. If you have questions about the physical requirements of a tour, please contact our office for further information. It must be emphasized that if you do have a health problem or physical limitation, we need to know so we can be prepared in the case of an emergency. Further, we cannot provide any assurances with respect to safety, quality or other issues with respect to excursions not within the direct control or supervision of PI & NL Waanders trading as Southern Birding Services. The

participant assumes all risks and liabilities of his or her own activities not under the direct supervision of PI & NL Waanders trading as Southern Birding Services.

There will be the opportunity for those of you who wish, to opt out of any particular excursion and do your own thing at your own expense. Anyone wishing to partake of an activity not within our bird watching program may only do this at their own expense and if it does not in any way interfere with the group's schedule.

Small groups call for consideration from all participants so that all may enjoy the experience. Any antisocial behaviour (swearing, smoking in non-smoking areas, alcohol abuse etc) that could be detrimental to the enjoyment of a tour by the other group members, shall be deemed to be unacceptable. If there are complaints from other tour members and the leader finds any person unable to conduct themselves in a manner seen fit, the leader reserves the right to send them home at their own expense.

Smoking is prohibited in tour vehicles, many public places and certain conservation reserves.

PI & NL Waanders trading as Southern Birding Services reserves the right to decline to accept or to retain any person as a member of any tour for any reason.

**Other:**

Participants should prepare for the tour by reading the itinerary, and other pertinent matter recommended by PI & NL Waanders trading as Southern Birding Services. Each participant is responsible for bringing appropriate clothing and equipment as recommended.

=====  
I agree to book this tour. I have read and understood, and accept the Terms and Conditions.
